

Evolve New Zealand Flag Sterling Silver Charm

\$49.00

SKU LK032

When we see the New Zealand flag fly it installs a sense of pride in our country and our heritage. The Union Jack symbolises the connection with our British ancestry. The stars depict the Southern Cross constellation, seen only in the Southern Hemisphere, guiding us home. The New Zealand flag unifies us, whether as Kiwis or as lovers of New Zealand, and reminds us of beautiful Aotearoa.
