

Evolve Northland Murano Charm

\$55.00

SKU E51

In Northland you get a feeling you belong, as part of the land and the sea. The vibrant green of our Northland charm celebrates the area's unique subtropical climate, which nurtures fertile farmland and ancient kauri forests. Dramatic cliffs, rolling waves and the sweeping branches of Tane Mahuta, "Lord of the Forest" complete the unspoilt paradise depicted in this charm.
