

Evolve Sterling Silver Taurus Charm

\$49.00

SKU LKD021

(Apr 20 - May 20)

Like the animal that represents them, Taurus zodiac signs are all about strength, stamina and will. Those born under the sign of the bull are loyal and reliable and will stand their ground to the end. As an earth sign, they are at one with nature and the physical world around them. Taurians are very patient, practical and efficient. They are also a loving, sympathetic, understanding and appreciative sign, endlessly generous with their time, possessions and love.
